---

## RELEVANT WORK EXPERIENCE

**Website Administrator** | *Campers Inn RV, Naperville, IL | August 2025 – Present*

- Manage website content for 100+ RV units, ensuring accuracy, visual clarity, and alignment with brand standards.
- Lead product staging and photography efforts to support marketing initiatives, enhancing UX and streamlining digital merchandising.
- Write and optimize descriptions using SEO best practices to improve visibility, engagement, and conversion.

**Web Developer** | *College of Arts & Sciences IT, Normal, IL | June 2024 – July 2025*

- Designed and developed responsive UI/UX components using React.js and Node.js, improving accessibility and user experience for clients.
- Collaborated with clients to build and maintain CMS-based websites (WordPress, Campus Modern), and created documentation for ongoing updates.
- Managed troubleshooting and resolution of front-end bugs and layout issues, achieving a 95% on-time resolution rate across all support tickets.

**Social Media Manager** | *School of IT, Normal, IL | August 2022 – May 2025*

- Boosted social media engagement by 60% through strategic, data-driven campaigns.
- Increased event attendance by 35% via targeted promotion and platform-specific content.

---

## TECHNICAL PROJECTS

1. **Syllabi Database** – Next.js, Node.js | [casit.illinoisstate.edu/syllabi](http://casit.illinoisstate.edu/syllabi) |  
Designed and deployed an intuitive UI for a university-wide syllabi repository, improving access for 6,000+ students and faculty (see also [casit.illinoisstate.edu/collaboration](http://casit.illinoisstate.edu/collaboration)).
2. **WordPress Site Redesign** – WordPress, HTML/CSS | [about.illinoisstate.edu/sinclairlewis/](http://about.illinoisstate.edu/sinclairlewis/) |  
Redesigned a legacy site to meet modern ISU branding and accessibility standards, improving visual consistency and responsive design.
3. **Language Learning App** – Typescript, Django, APIs | [github.com/elle-art/greetings101](https://github.com/elle-art/greetings101)  
Designed, developed, and deployed a bilingual course app with full-stack architecture, featuring dynamic content delivery via custom APIs.

---

## LEADERSHIP EXPERIENCE

1. **Marketing & Communications Coordinator** – Led strategic wellness initiatives, managing projects and cross-team communication to boost engagement.
2. **Creative Technologies Student Ambassador** – Facilitated outreach and engagement, strengthening connections between students and faculty.

---
